

Kingsleigh Newsletter

You can find 'Kingsleigh Primary school' on:

We are now in full swing with clubs already starting and our Arts week exhibition being put together for Friday's grand opening.

Arts Week

On Friday 22nd you are more than welcome to have a look around at all our new displays. They are in corridors and the large hall.

Doors open from 3pm. So why not pick up your children and have look around after school.

We hope to have the new rainbow up on the hall wall with your child's picture on it, including Pre-school and Reception. Feel free to photograph displays and pictures!

Clubs

Our clubs are now up and running and are proving to be very successful. If your child cannot make a club (e.g. dentist appointment) please let us know in advance.

Advance Warning

There will be no after school clubs on Monday 2nd October as there is a Trust staff meeting. Our apologies!

Echo Photograph

The Echo newspaper will be in on Tuesday 26th September to take a 'New Starters' photograph for the paper. We will try to let you know when it is published.

Reception Parent Briefing

This will be on Monday 9th October at the end of the school day. More details to follow.

Disco Dates

This will be on Wednesday 1st November. More details to follow.

Parent Drop-In

Year 6 drop in will be on Monday 9th October.

The rest of the year groups will be on Wednesday 11th October; for parents to pop in and see their children's work and chat to their teachers.

School Photographs

Individual photographs for Pre-school will be next week on Tuesday 26th September and Reception classes will be on Wednesday 27th September, both in the morning. Pre-school parents who don't normally attend Tuesday are very welcome to pop in during the morning and have their child's photos taken.

The other year groups individual photographs will be on Wednesday 1st and Thursday 2nd November. More details to follow.

If you are interested in Saturday 4th November for family shots then please contact the school office on 01202 528893. We could then allocate a slot to avoid a lot of queuing.
