**Bus Update**

The staff at school have shown true Kingsleigh spirit this week by painting the bus in their spare time.

In the upcoming few weeks we have -

- A vinyl company coming in soon to look at decorating the windows
- A carpet company coming to look at flooring
- An electrician coming to look at getting power to the bus!

We have also received two very generous donations of gravel from Suttles and Travis & Perkins. Travis & Perkins have also donated us some guttering.

Mr Fall who is a parent is also very kindly making us some bookcases.

It's all go go go and the bus is coming along great. Thanks to all those who have helped so far!

**Community Infrastructure Levy**

The Community Infrastructure Levy is a levy that local authorities can charge on development in their area. CIL income can be used to contribute towards the funding of infrastructure needed to support new development.

Here in Redhill & Northbourne Ward we are looking to use £1000 of our CIL money towards refurbishing a double decker bus at Kingsleigh Primary School. With the expansion of Kingsleigh the school has lost its reading room as it is now a classroom.

The school needs a quiet reading area for both Kingsleigh pupils and pre school children both at term time and in the holidays.

Please let us know we have your support for this vital project.
