Could you give a child a brighter future? Come along to our informal open day to find out more about fostering. Meet Southampton foster carers and:

- Find out about the assessment process and taking those first steps
- Get advice from people who have been there on what it’s like to foster
  - Discover the professional support on offer and the training opportunities

You can also meet members of the Southampton Foster Care Association who can tell you about the social side of fostering and the fantastic work they do to provide activities for Southampton’s Looked After Children.

Refreshments will be provided.

You don’t need to register but please don’t hesitate to get in touch if you had any questions. We’d love to hear from you at:
