

MATHS

Counting and Number bonds – We expect all children in Reception to practise counting from 1 to 20 and to practise recognising and writing these numbers. We expect all children in year 1 to practise their number bonds for ten minutes every day. This can include using objects or counters, pictures and number bond cards

Counting - Reception

- Practise counting from 1 to 20
- Practise recognising numbers from 1 to 20 – place the numbers in order and say which one is more or less
- Practise writing numbers from 1 to 20
- + and – single digits

Number bonds - Year 1

- Practise number bonds to 10. (Example: $3 + ? = 10$)
- Practise number bonds to 20. (Example: $? + 12 = 20$)

Times Tables – Years 2 to 6

Practise times tables for ten minutes every day. This can include chanting, singing, copying out and practising on online games and apps.

Which times tables?

Year 2 2, 5 and 10 times tables up to 12×2 , 5 and 10 and division facts up to (e.g. $50 \div 10 = 5$)

Year 3 3, 4 and 8 times tables up to 12×3 , 4 and 8 and division facts (e.g. $24 \div 4 = 6$)

Year 4 recall times tables up to 12×12

Year 5 Practise all times tables and division facts up to 12×12

Year 6 Practise all times tables and division facts up to 12×12

We have maths covered!

We are busy planning some free packages for schools to use if they have to close due to COVID-19.

The first set will be released next week.

They include video tutorials and access to our premium content.
