Where everyone can be great, not just good!

Dear Parents/Carers,

Confirmed COVID -19 case at KPS

We have been advised by Public Health England that there has been a confirmed case of COVID-19 within the school.

We are continuing to monitor the situation and are working closely with Public Health England. This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The school remains open and providing your child remains well they can continue to attend school as normal. We will keep this under review.

We have notified parent/carers of the relevant class/es of the actions we require them to take and explained how we will be in contact regarding Free School meal entitlements, support and learning for their child at home.

Symptoms

The main symptoms of coronavirus are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

If your child or anyone in the household does develop symptoms, you can seek advice from NHS 111 at:

<https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/> or by phoning 111.

Cleaning

Alongside our robust daily cleaning programme an additional deep clean and anti-bacterial fogging will be undertaken of all relevant areas.

I thank you for your continued support through what is clearly a very challenging situation for us all. If more information or guidance is received from Public Health England tonight or tomorrow I will update you all ASAP.

Best wishes,

Mr J Lumber
