Where everyone can be great, not just good!

Dear Families of EYFS/KS1

Weekly Zoom Storytime - Thursdays at 4.30pm

As you may already know, reading is a big focus of the school this year and this term particularly. With reading being an essential life skill, we are working hard to ensure all children are reading regularly, have access to high quality and engaging books/stories in school and at home. We know that reading aloud to the children is a really powerful way for them to learn stories that they may not be able to read just yet and independently. We also know that reading stories at home can be tricky sometimes and also put adults out of their comfort zone so it may prove useful to families to get ideas and build confidence when reading aloud to children.

To help support the story sharing adventure at home, we would like to invite you and your children to a weekly story time on zoom with myself and other guest readers! These will be held each Thursday from 4.30pm for approximately 20 minutes. I hoped that this time would be convenient and that as many children from Pre-school to Year 2 can join us each week. Older siblings are welcome to listen in if they wanted to as are your household pets and younger siblings! The more the merrier.

If you would like to join the joining details are below and these will be the same for every Thursdays' story. **All I ask is that you put your child's name as the name displayed on your Zoom screen and that all cameras are on and mics remain muted.**

Our first Story time will take place this Thursday at 4.30pm. Joining details are below.
