Chair of Directors: Mrs H McKell

Where everyone can be great, not just good!

Friday 26 June 2020

Dear Parents/carers,

KPS Update and New Classes Information for 2020-2021

As we shared last week, classes will remain the same for the next academic year. The table below shares who your child's class teacher will be next year based on the class they are currently in. **Please note: If your child is going to be in Reception, a separate letter will be sent out in due course with the class information.**

Due to the current restrictions, we are not able to offer our usual transition activities. For safeguarding reasons, we will not be completing live Zoom/video calls for the new teachers but there are over 300 videos on our YouTube channel which contain all of the teachers across the school enabling you to find out a bit more about them. The school website and YouTube channel also provides a significant amount of learning resources. Over the last 14 weeks, we have created a high volume of learning videos and I am confident there are enough there to keep families going over the summer if they so wish. I feel strongly that the summer holiday is a time for everyone, staff included, to switch off and I think families of the school have done an incredible job of supporting their children with learning at home through term time.

When the children return in September, in the manner which the Government direct us, the teachers will be able to welcome the class and the children to their new year group and we are confident they will settle down well. Rest assured that the teachers will quickly identify any gaps in the children's learning and put in place the support required to help them catch up. Please do not let the media make you over-anxious during the next few months, because the teachers here at KPS are highly skilled and knowledgeable and as always will do their very best by all the children in their care.

Please note:

We are still waiting for Government clarification regarding the organisational expectations for September 2020. We will update you as soon as information is released by the government.

We will be closed to all children over the summer holidays. Key worker provision will stop at the end of the term on Friday 17th July.

Best wishes,

Mr J Lumber
Head Teacher
