**Where everyone can be great, not just good!**

Dear Families,

## **Sports Day Clarification**

I just wanted to clarify that we do not have a sports day this year due to COVID/bubble limitations. The children are however having many amazing sports experiences with Coach James and Mr Bainton and there is an exciting plan that starts next in next week's PE lessons across the school. Children will be taking part in various athletic events as a class with all children earning points for the class total.

With it being organised by Coach James and Mr Bainton, we all know that it will be fun, energetic, inclusive and probably extremely busy! There are certificates and medals ready to be awarded to the winning class in each year group and in the second week there will be awards for individual amazing athletes!

As always, we are as disappointed as the parents/carer community to not be able to invite you in for the events but as I am sure you will agree that the children are set for lots of fun activities and healthy competition!

**Also .....**to share that today in our whole school assembly I shared the launch of the 'Summer Reading Challenge' - more information can be found at [Wild World Heores](#) and in last week's Key Stage 2 assembly signposted the children to an exciting competition regarding protecting our planet. Watch this video to find out more and please try to encourage your child to enter online [Voices for a Green Future COP26 school competition - YouTube](#)

Best wishes and have a great day!

**Mr J Lumber**
